WORK EXPERIENCE

2010 - Present: Freelance

I am passionate about film and video and make a great team player. Having recently moved from California to Colorado I'm interested in a full time position as camera operator or video editor.

In my eight years of experience in the entertainment industry in California I have learned to collaborate successfully with many personalities and work styles whether on movie sets, on location or in studios, and to utilize a variety of camera, camera support and light equipment.

- **Camera Operator and AC**

- 19 Projects: Indie features, documentaries, commercials, TV shows, live stream shows, product videos.
- Tools: Canon, Panasonic and Red Camera Systems.
- Clients: Patagonia, Postmodern Surfer, Tom Ford-at NY Fashion Week and others.

- **Video Editor**

- 13 Projects: short documentaries, music videos, fundraisers, commercials, product videos.
- Tools: Adobe Creative Suite and Mac OS.
- Clients: Woollybear Ding Repair, Surf 'n Suds Festival, Wayne Rich and others.

- **Grip and Key Grip**

- 11 Projects: Indie features, features, music videos, commercials.
- Tools: dollies and jibs.
- Clients: I am Neda, Chilly Christmas, Blue and others.

2018: GolfTEC Englewood, Colorado

GolfTEC is the world's leading provider of golf lessons headquartered in Englewood Colorado.

- **Video Editor**

- Edited promotional, training, social media and marketing content for various outlets including internal, national broadcast and the Golf Channel, using Adobe Premiere.
- Logged a large database of raw footage.
- Assisted on film shoots.

2012 - 2017: BLACKBURNfilms Thousand Oaks, California

BLACKBURNfilms is a California based film and video production company specializing in studio production, short and feature films, event videography and corporate video.

- **Camera Operator**

- On location and in studios with Cannon Cinema, DSLR and XLH1, Panasonic, Redrock Micro.

- **Steadicam Assist**

- Assisted on movie sets with Zephyr Steadicam.

- **Grip**

2011 - 2012: Glas Apparel and Films Santa Barbara, California

GLAS, located in Santa Barbara, is an art driven, apparel and lifestyle company with roots in board riding and film making.

- **Camera Operator**

- Filmed state wide surf competitions, surf team videos, and interviews on Canon DSLR.

- **Video Editor**

- Edited social media and broadcast content on Mac OS with Final Cut Pro and Adobe Premiere.

EDUCATION

2010: Miami International University of Art & Design Tampa, Florida
Bachelor of Fine Arts (BFA) in Digital Film and Video Production.
